GANDHI DRIVE BLAZES INTO VIOLENT FURY

26 Wounded in Battle on Streets of Calcutta Today

ARMORED CARS IN USE

Troops Forced To Fire Into Mobs Aroused in 'Independence' Campaign.

CALCUTTA, India, April 15.—The independence campaign of Mahatma Gandhi in Calcutta today was a violent one. Mobs of thousands of Indians, many of whom were armed with sticks and stones, attacked the British police and troops. The British forces were forced to fire into the mobs, resulting in 26 wounded. The British police and troops were using armored cars to move through the streets. The British police and troops were using armored cars to move through the streets.

Address Ranks Hoover as Staunch World Court Advocate

FAVORS U. S. MEMBERSHIP

President Indicates He is Ready To Fight To Have Country in Tribunal.

WASHINGTON, April 15.—With no world court question rapidly assuming the proportions of a foremost political issue, special significance was attached today to a renewed and vigorous plea for American adherence voiced by President Hoover.

From the chief executive's official espousal of the entry of this country coming soon after the outbreak of opposition which followed the plan is premises of a work which was drawn the inference that Mr. Hoover is prepared to wage a determined and aggressive fight for American membership in the international tribunal.

The president's appeal was expressed in an address delivered last night before the Daughters of the American Revolution. In addition to his comment upon the court issue, he

asserted that American security was far more seriously threatened and endangered by the refusal of a world court conference, reiterating his view that the "aggressive" policy of the British capital meant the abandonment of international rivalry in the construction of new armaments.

Causes Always Present

Asserting that the causes of friction between the nations are ever present throughout the world, Mr. Hoover said that the remedy and the prevention of war lay in the creation of a permanent agency for settling international disputes and a limitation of these controversies so as to prevent just a day's avoid of national enmities.

He went on to tell of the steps that have been taken to provide these causes can be contributed to the peaceful settlement of a vast number of international controversies of considerable character of the world, had an international court to which such hearing and independent decision based upon a law and just.

Such a court—the world court—has been established at The Hague with the aid of American jurists.

Adherence to that court by the United States has been earnestly recommended by every one of our presidents and every one of our secretaries of state living since its inception.

the United States by safeguarding membership in it.

And, as he drew attention to the participation of the United States in this court, he said that the "aggressive" policy of the British capital meant the abandonment of international rivalry in the construction of new armaments.

Mr. Hoover is holding ready to submit to the senate at an appropriate time the Hot formula for American adherence designed to bring the resolutions of the senate and the conflicting views of the nation's already members of the court into harmony.

Meanwhile, a determined campaign against ratification is being planned by a group of senators largely identified with the old fight against membership in the League of Nations and the court.

Women Gain in Politics

Number of Female Office Holders Steadily Increasing, Survey Shows.

By The Associated Press

WASHINGTON, April 15.—Almost unnoticed, women are slipping into local elective and appointive posts, from justice of the peace to alderman at a rapid rate.

That discovery was made by the League of Women Voters in a survey of four states, sampled as typifying the actual situation throughout the country.

An increase of more than 100 percent in five years was noted in Connecticut, Michigan, and Wisconsin.

Connecticut, with a record of 20 women members in its state legislature, jumped from 134 to 452 women office holders between 1925 and 1929.

Michigan showed an increase from 467 women office holders in 1927 to 703 in 1929. Its women justice of the peace numbered 28 a jump from three in a 1925 period.

Wisconsin had 82 women of the holders in 1926 and 171 in 1929.

Engineering Department Reports on Main St. Cost

Resurfacing Price To Range from \$7.24 to \$10.82 a Foot Front, According to Cather's Estimate, Widening Work from Pleasant st. to Columbia st. To Add to Expense.

Owners of property in the business district of Main st. will pay between \$7.24 and \$10.82 a front foot to have that street resurfaced, widened and improved this year, according to assessment figures compiled by City Engineer T. S. Cather and submitted to council last night.

From George st. to the first alley south of Church st., the assessment rate will be not more than \$7.24 from the first alley south of Church st. to Pleasant st. approximately \$8.74 from Pleasant st. to Columbia st. approximately \$10.82.

Widening of two lanes in Main st. accounts for the higher assessments at the southern end of the improvement.

Commercial street paving is expected to cost property owners approximately \$9.61 a front foot if brick paving is used. A less expensive material will probably be used.

Patterson st. storm water sewer assessments will be approximately \$1.31 a front foot, Scranton av. storm water and sanitary sewers will cost \$1.71 a front foot and \$2.45 a tap.

U. S. Well Protected

On the question of security Mr. Hoover said in his address that because of our geographical situation and because of our great resources and of the American genius for organization we have in a sense that no other country has it security from attack and harm by other nations.

And then, departing from his prepared address the president asserted that "our security today is well assured by an army and navy whose high training in valor and skill is represented in both the command and rank and we shall maintain them."

Turning to the London naval conference the chief executive said after reviewing the agreement reached that the most important result was that "it has been able finally to turn the tide of constantly increasing naval arms and to end the poison of armament and ill will generated by a constant rivalry in construction."

COUNCIL APPROVES TRANSFER OF PLOT

Opens Way for Construction of "Super-Service" Station on North Main st.

One of two super-service filling stations planned for Marion this year was a step nearer today following transfer of a portion of North Main st. property from the president of the commercial and city council last night.

No protest against the proposed transfer was heard at the time set for public hearing on the matter.

Planning to erect a station on the east side of Main at between Mark and Farming sts. (Charles F. Lusch of the United Tire Sales, 408 North Main st., asked the transfer.

Lusch said today he hoped to have construction work on the station under way by May 1. The station will be able to give one-stop service, he said.

Legislation for a similar station on East Center is now being sought by the Firestone Tire & Rubber Co.

SCRIPTURE Memory Verse
"Behold Satan falling as the lightning from heaven" (Luke 10:18)

Head Luke 10:17-24

MEDITATION
When Satan asked, "Where art thou, who was Me? Who art thou, who was Me?" of a power that was always doing good? His efforts were vainly being defeated by the meek and lowly spirit of goodness that dwells in this universe. Satan's power is based on this idea: that evil deeds are always coming back upon the heads of the transgressors. Evil is never finally victorious. It has within itself the seeds of its own destruction. The moral order of the world is too much for it. There is a big law of righteousness in the universe. The presence of evil in the world is frequently cut in an argument against faith in a right and just universe. But evil that is ever being destroyed by itself and defeated by the power of a just and merciful God.

PRAYER O Thou refuge of the human spirit, help us to rest in the unclouded sense of Thy conquering righteousness. Thou art mightier than all evil. Thy strength is within and behind our feeble efforts, making our weak knees a part of Thy might and a share in Thy final victory. Amen.

The blindness of lovers transforms them into a pair of spectacles for the neighbors.

PRESBYTERY TO HAVE WOMEN MINISTERS

Action Taken in New York Despite Contrary Recommendations of Committee

By The Associated Press

NEW YORK, April 15.—The Presbytery of New York was on record as voting 10 to 29 in favor of permitting women to be ordained ministers.

The action was taken despite recommendations of a committee on overtures that the proposal be defeated. The Rev. D. B. F. Farber, of the Fourth Avenue Presbyterian church, chairman of the committee, read the report and said: "But the decision is not final."

Dr. J. J. Stenham, secretary of the New York Synod, said the committee opposed the action on the ground that women ministers would make the church "effeminate." Dr. David G. Wiley, president of the Lord's Day Alliance, said there was no demand from the synagogues for women ministers.

FREE SCHOLARSHIPS AVAILABLE AT O. S. U.

20 in Agricultural Branch To Be Awarded High School Graduates

Special To The Star

COLUMBUS, O., April 15.—Twenty free scholarships worth \$240 each will be at stake in the annual Ohio State university agricultural scholarship examinations to be held Friday, April 19, in high schools throughout Ohio. Girls as well as boys are eligible.

Winners of the scholarships will be entitled to tuition for a four-year course in agriculture at Ohio State university.

The examinations are open to all seniors in the high schools of the state who will be graduated in June.

For the purpose of the examinations the state is divided into four districts. Five scholarships will be awarded in each of the four districts.

The examinations will cover agricultural subjects only. The papers of contestants will be sent here to Dr. John L. Clifton, state director of education and will be graded at the university.

Winners of the scholarships will be named about May 15. The scholarships were established by the university to interest high school graduates in the opportunities in agriculture as a profession.

Gets Workhouse Term on Non-Support Charge

Pearl Carter, 26 of South Solon, drew a six-month workhouse sentence when he pleaded guilty before Judge William R. Martin in municipal court yesterday to a charge of non-support. Carter was also assessed costs of prosecution.

He failed to provide for his two children, Betty, five, and Wayne, four, since Jan. 1, 1930, according to allegations of Mrs. Ida Shields, said by officials to be a former wife.

He was previously in municipal court under a similar charge records show.

Guest Speakers Address Clubs on Varied Topics

GUEST speakers were heard in interesting talks on travel, people and books at a number of federated club meetings yesterday afternoon. A number of clubs entertained guests. With the club year drawing to a close several clubs are ending their study program and are planning to conclude the season with picnics and other informal social gatherings. The season will close officially with the last meeting of the Marion County Federation of Women's clubs to be held in May, at which time reports on the annual convention of the Ohio Federation of Women's clubs to be held next week in Columbus, will be heard.

Among the clubs having guest speakers at their meetings yesterday were the Delphian, Literature Study, Research and Advance.

SPRING flowers carried out a colorful decorative note throughout the rooms at the home of Mrs. Roland Leeper, South Prospect st., for the guest meeting of members of the Delphian club. Mrs. W. M. When a Child is FEVERISH, CROSS, UPSET

Colds, gas, sour belching, frequent vomiting, feverishness, in babies and children generally show food is souring in the little digestive tract.

When these symptoms appear give Baby a teaspoonful of Phillips' Milk of Magnesia. Add it to the first bottle of food in the morning. Older children should be given a tablespoonful in a glass of water. This will comfort the child—make his stomach and bowels easy. In five minutes he is comfortable, happy. It will empty the bowels free of all sour, indigestible food. It opens the bowels in constipation, colds, children's ailments.

Children take it readily because it is palatable, pleasant-tasting.

Learn its many uses for mother and child. Write for the interesting book, "Useful Information," address The Phillips Co., 117 Hudson St., New York, N. Y. It will be sent FREE.

In buying, be sure to get genuine Phillips' Milk of Magnesia. Doctors have prescribed it for over 80 years. "Milk of Magnesia" has been the C. S. Registered Trade Mark of The Chas. H. Phillips Chemical Co. and its predecessor, Chas. H. Phillips, since 1873.—Adv.

King's Daughters Circle Names Convention Aids

MRS. RAYMOND CRAM, Mrs. E. F. Williams and Mrs. Ray E. Eaton were named to serve as hostesses from the Circle of Light King's Daughters, at the group convention to be held May 16, at the meeting of the members last night at the home of Mrs. Ray E. Eaton, Olney av. Mrs. Rex Robinson, leader, was named alternate hostess.

The program hour opened with a song, "Just As I Am," by the members and devotionals conducted by Mrs. Frank Garfield. Sixteen members responded to roll call with \$2.00 verses. A neat sum was realized to carry on the circle's activities in a "waist measuring" feature. A paper on "Easter" was contributed by Mrs. Wallace Lynn. During the business session Mrs. Charles Carroll was enrolled as a new member. A social hour was enjoyed during which the business was assisted by Mrs. Chester Berry and Miss Cleo Flaley. The circle's next meet in two weeks with Miss Louie Schoonover, West Columbia st.

Minnetonka Council To Attend Sidney Meeting

Plans were made for a number of members to attend the meeting of the Great Council to be held in June at Sidney at the meeting of members of Minnetonka Council No. 24, Degree of Pochontas, last night in the Red Men's hall.

During the business session Mrs. Clara Moore was elected council deputy and Mrs. Ruth Bush was installed as fourth warrior. Plans were made for a benefit card party at the next meeting, April 28. The charter was draped for Miss Cora Ream, who died recently. Mrs. Maude Dayton received the gift award. Announcement was made that the next meeting would begin at 7 o'clock.

TOOK IT TO BUILD HER UP

Strengthened by Lydia E. Pinkham's Vegetable Compound

La Junta, Colo.—"After my little daughter was born, one of my neighbors persuaded me to try Lydia E. Pinkham's Vegetable Compound to build me up. The first bottle made quite a change in me. I got an appetite and can sleep much better. I am not so nervous as I was. I have six children and do all my own work. I can do so much more now than I could when I began taking the Vegetable Compound and I shall certainly recommend your medicine whenever I have an opportunity."—Mrs. John O'Connor, R-72, Box 216, La Junta, Colorado.

HOME BAKERY'S Master Baker

BREAD IS ONLY AS GOOD AS ITS INGREDIENTS!

DO you know how to pick a good loaf of bread? First look for the bloom, the golden brown of the crust. If the crust is thin and tender and the inside firm and white and the flavor just right, you have a loaf made of good ingredients. Every loaf of Honey-Krust Bread will stand that test! Say Honey-Krust Bread to the grocer.
